

***Christmas Card
Catalogue***

2023

Seasonal Greetings

‘Tis the season once more. As we celebrate the relationships and loyalties of our business year, the small gesture of a Christmas card goes a long way.

For more than a decade, Reg T. Brown has offered customized cards to the franchisees of ServiceMaster. This catalogue displays our collection, exchanging some older images with newer ones each year.

Each ‘Outside’ sample is numbered at the top left of the image on the next 15 pages.

The samples of inside messages are shown with a corresponding letter on the final page.

Font selections are also shown.

Your selection will be a number, letter, font and an indication of black inside or teal inside:

e.g. ‘102B Bellevue, black inside’

The logo of your franchise will be imported, and a final pdf proof will be emailed to your for your approval.

Some other minor customizations are possible on request; many of our customers include a scan of their employees’ signatures, or their own message.

All our cards are 5 x 7”, and have corresponding envelopes with your address in black on the back flap.

Once your selection has been made, please email your request and the quantity you require to:

rtbquotes@logbooks.com

We look forward to being your ‘Good Cheer’ partner!
